TPM in Trnava for ARphymedes Plus project

Dear ARphymedes Plus Community,

we are thrilled to share with you the latest updates and discussions surrounding our project in this month's newsletter. As we continue our journey towards creating an inclusive and innovative learning environment, your invaluable feedback and support have been instrumental in shaping our progress.

What were the highlights?

The first day of our meeting focused on significant aspects of the project. We discussed the "O1 Student's Book," highlighting its advancements and specific adaptations for students with Special Educational Needs (SEN). The session also delved into Augmented Reality (AR) learning environment applications and the development of 3D models to cater to SEN students' unique requirements.

Day 2 - Highlights

The second day commenced with an insightful overview of the entire ARphymedes Plus project. We then delved into the "O2 Teacher's Book," gaining valuable feedback on its description, characterization of outputs, and its role in enhancing the learning experience. Furthermore, we explored the "O4 Teacher's Training Programme" and discussed its integration with an "Open online course" for wider accessibility.

Upcoming Initiatives

In the coming months, we are dedicated to refining our outputs and strengthening our impact. As we prepare for the upcoming meetings, we are excited to work collaboratively and engage in productive discussions that further our goals.

Next meeting will be held in **Athens**, get ready for important and crucial news for ARphymedes Plus project.

Stay tuned for more information and updates!
